

THE LEACH

Loxahatchee Eco Adventure Challenge

Come spend a few hours running beautiful trails, hiking through environmentally unique scrub pine forests and cypress swamps, riding bike trails and dirt roads, canoeing the Loxahatchee River, pushing your bike through pristine sugar sand, navigating with map and compass, and other special challenges!

The LEACH 6-8 hour AR promises to offer a challenging course in beautiful natural areas: single track, double track, paved trail, cross-county, and lovely swamp and river travel. Teams (2-3 person co-ed or single sex) can expect great challenges and great fun! Canoes, two paddles, PFDs are provided for teams. No kayak paddles or 3rd paddle will be allowed. This is a primarily UNMARKED course so know how to read a map and navigate with compass!!!!

Or try the sprint version Lil Bleeder 2 hour AR, perfect for newcomers or fun-lovers! The race covers a shorter MOSTLY MARKED course with about 2 hours of biking, running, paddling, challenges, and adventure.

Want to start your morning with a run? Then try The Tick 4 Mile Adventure Run. The run will be filled with its own brand of challenges. The course will be a mix of paved and unpaved trail with a few twists in between.
